Date Tuesday 28th November 2023

Time 18:00 to 18:15

1 to 1

points I want to talk about and questions I want to ask

i have created the Github account and created a repository so now should i begin with the code aspect.

when would i get feedback regarding the report i created on Gethub.

due to dyslexia would i be able to use extarnal resources such as spelling checking.

Meeting Notes

i must save all my tasks on gethub and submit my milestones into moodle as of every week and he wold mark some work and give feedback.

i must start with the code now and keep him updated every week.

Outcomes actions timeframes

complate some code and also might complate some PowerPoint
